

## NO RESIDUE LABEL SEAL

### NO RESIDUE LABEL SEAL

Thanks to the innovative material our adhesive “NO RESIDUE LABEL SEAL” can be applied on almost any surface. In the event that it is opened it will reveal a VOID message, but *will not* leave any sticky residue on the applied surface.

#### KEY FEATURES:

- ° Easily highlights signs of tampering
- ° Leaves no residue
- ° High security
- ° Sequential numbering
- ° Easy to use

#### Instructions for use:

- 1) Peel the “NO RESIDUE LABEL SEAL” from its protective backing and apply to desired application surface.
- 2) If then it is removed our “NO RESIDUE LABEL SEAL” will not leave behind any marks or stickiness
- 3) If the “NO RESIDUE LABEL SEAL “ is peeled back it will reveal a VOID message that that cannot be hidden and immediately alerts that the label has been tampered with.
