

**DESCRIPTION:**

This bag has been designed to securely carry confiscated fire arms and other large goods.

It has a transparent window to hold any documentation or electronic tags, that can be only accessed from the inside to avoid any tampering.

The security bag is also sealable with a sequentially numbered security seal. (ZIPSTOP)

The only way to open the bag is by breaking the security seal.

DIMENSIONS:

° Standard measurements:
150x30 cm

It can also be made to order, according to client's request

CUSTOMISATION:

- ° SCREEN PRINTING
- ° Printing option in one, two or three colours
- ° Logo printing available on request

MATERIAL:

- ° Nylon 840

**FURTHER INFO:**

We recommend sealing the "COPENHAGEN" bag with a sequentially numbered security seal (ZIPSTOP)

This is a seal that blocks the opening/closure of the bag by blocking the zip slider in the ZIP HOLDER. The seal is also available with a BARCODE.
